NOTIFICATION

Simla-4, the 29th May, 1954

No. G-78-82/54.—The following Press Note issued by the Government of Punjab, Revenue Department, is hereby published for information.

PREM RAJ MAHAJAN,
Director.

'PRESS NOTE'

1. In view of the provisions of Article 286 of the constitution of India and section 29 of the Punjab General Sales Tax Act, 1948 all non-resident dealers, who actually deliver goods in the State of Punjab for consumption in the said State are liable to pay Punjab Sales Tax. All such non-resident dealers are hereby publicly informed that they should get themselves registered immediately in the Punjab with the Officer on Special Duty (Central Circle) Office of the Excise and Taxation Commissioner, Punjab, Jullundur City.

2. It is further notified for the information of such dealers that the taxable quantum in their case at present is Rs. 50,000. Steps are, however, being taken by the Punjab Government to reduce this taxable quantum to Rs. 5,000 and the preliminary notification in this connection has already issued. Intending dealers should apply to the officer mentioned above for registration along with a treasury receipt of Rs. 5 as registration fee to be deposited in a Government treasury in the Punjab. The registration fee can also be remitted by a Bank Draft or a Crossed Cheque exclusive of Bank commission in favour of the aforesaid Assessing Authority.

3. The non-resident dealers liable for registration shall submit, by post quarterly returns in the prescribed form obtainable from the Assessing Authority above, in respect of inter State transactions pertaining to the State of Punjab by the 30th July (for the quarter April-June), 30th October (for the quarter July-September) and so on along with the amount of tax payable in the manner already stated above.

4. The Punjab Government have also decided that the personal presence of the non-resident dealer is not necessary at the time of assessment. The Assessing Authority would examine his accounts, at a central place in the dealer's State of residence. Efforts would be made to hear the appeals also in the dealer's State of residence. If the dealer defaults in sending the quarterly returns, he may be required to appear in person before the Assessing Authority.

5. The Punjab Government have further decided that although sales tax in respect of inter-State transactions is legally chargeable from the non-resident dealers with effect from the 26th of January, 1950, yet keeping in view the hardship of such dealers who did not charge sales tax from the purchasers, they have decided to enforce the levy of this tax with effect from the 1st of April, 1953, subject, however, to the following exceptions :-

(a) Where the non-resident dealers were issued notices of assessment or were actually assessed for transactions prior to the 1st April, 1953, the tax shall be recovered for all transactions prior to the 1st April, 1953, and the subsequent periods.

(b) Where the non-resident dealers have actually charged sales tax under the Punjab General Sales Tax Act, 1948 from the purchasers, in respect of transactions prior to the Supreme Court Judgment, i.e., 30th March, 1953, the tax charged shall be recovered from such dealers. Such dealers should inform the Officer on Special Duty (Central Circle), Excise &

Taxation Commissioner's Office,
Jullundur City, immediately and
remit the tax charged to the said
authority.

6. In Punjab there is a single-point sales tax and the rate is Rs. 3-2-0 per cent and sales to registered dealers are exempt from tax, provided they are duly mentioned in the certificate of registration of the purchasing dealer.

J.S. UPPAL,
Dy. Secretary (Revenue),
Punjab Government.
